CUSTOM SOLUTIONS FROM CRADLE TO GRAVE

Collaboration

We view ourselves as a full service provider. We understand the challenges you face and have the processes and capabilities to deliver on aggressive timelines. We adapt to late design changes and provide responsive solutions as required.

Quality

Quality designs, quality materials, quality people. Everything we put into our products is premium quality to ensure we produce the very best for you. Our custom solutions maximize line-side efficiency, provide excellent part protection and are designed with ergonomics and safety in mind.

Convenience

Nearly 800,000 sqft of manufacturing and warehouse space strategically located around key OEM and Tier 1 suppliers—locations in Michigan, Indiana, Illinois, South Carolina and China.

WORKING SHOULDER TO SHOULDER WITH YOU

Our belief is that our customers are not simply looking for a weld shop or fabricator. They are hungry for a partner that has a relentless focus on customer satisfaction, has continuous improvement as part of their DNA, and is laser-focused on quality and timely deliveries.

Our vision is to become the most trusted partner for the products and services we provide to our customers. Let us show you what we can do.
